ERRATUM

Glucagon-like peptide-1 attenuates tumour necrosis factor- α -mediated induction of plasmogen activator inhibitor-1 expression

Hongbin Liu^{1,2}, Yunshan Hu^{1,2}, Richard W Simpson^{2,3} and Anthony E Dear^{1,2}

The author and the journal sincerely apologise for an error in the title and text of this article published in 2008, vol **196**, on pages 57–65. The word ‘plasmogen’ should actually read

‘plasminogen’ and the correct expansion of PAI-I is Plasminogen Activator Inhibitor Type-1 and not as published.
