RETRACTION

Endoplasmic reticulum stress is involved in myocardial apoptosis of streptozocin-induced diabetic rats

Zhenhua Li, Tao Zhang, Hongyan Dai, Guanghui Liu, Haibin Wang, Yingying Sun, Yun Zhang and Zhiming Ge

Journal of Endocrinology hereby retracts the above article, published in 2008, vol **196**, on pages 565–572, as it contains sections of text and data very similar or identical to a paper the authors had previously published in *Journal of Clinical Biochemistry and Nutrition* (Journal of Clinical Biochemistry and Nutrition 2007 **41** 58–67).

Dr Zhenhua Li has claimed full responsibility for this infringement, as the other authors were unaware of the submission to *Journal of Endocrinology*.

We apologise to the editors of *Journal of Clinical Biochemistry and Nutrition* and to our readers.
